

FISCAL NOTE

HB 741 - SB 1056

March 28, 2001

SUMMARY OF BILL: Requires occupational therapists to complete continuing education course as required by the Board of Occupational and Physical Therapy. Requires the board to approve all continuing education courses.

ESTIMATED FISCAL IMPACT:

**Increase State Expenditures - \$27,100 Recurring
\$4,800 One-Time
Increase State Revenues - \$31,900**

Estimate assumes:

- a need for one position and associated expenses in the Department of Health to administer the provisions of the bill. Currently there are no continuing education requirements for licensees.
- licensing fee revenue will be increased, if necessary, to equal expenditures since regulatory boards are required to be self-sufficient by state law.
